Mr. Cum Posey,
324 - 13th Ave.,
Homestead, Pa.

Dear Cum:

I wrote you almost two weeks ago, asking you to send the copy of the Motion that made Abe the Treasurer for the League this year, it has to be signed by you with a sworn affidavit and one other Officer. You can either send it to Tom or I will send it to Gottlieb for another signature, as they are requesting two Officers signatures.

You are holding up the opening of the account, and also the sending out checks for outstanding bill. Please send this at once. Abe went to the Bank before he left for Florida and made all necessary arrangements for the opening of the account.

Yours very truly,
